WHY CHOOSE US?

"Learning as a group is an intrinsically musical setting where all learners thrive."

We use a differentiated approach where every individual is nurtured.

Students learn and make music together as a group.

Our curriculum covers the foundations of piano as well as wider musical and literacy skills.

We learn through games, song, movement, composing, improvising, listening and performing.

OUR CLASSES

Pre-Notes

The magic of music begins for your little ones ages 2-4! This program is designed exclusively for the curious minds of preschoolers, laying the foundation for a musical journey that lasts a lifetime.

Little Keynotes

Our program for learners aged 4-5, Little KeyNotes develops the foundations through song, games and piano-playing.

Storytellers

Learners aged 6-9 will tell stories on the piano, developing their skills through creative and expressive approaches.

KeyNotes Play

KeyNotes Play is for learners aged 10+ and uses their sense of independent curiosity to engage and motivate.
